Dear Keith and Members of West County Woodcarvers,

Thank you very much for your donation of \$1,010.00 to CHAMP Assistance Dogs. We are very grateful for your support of our mission, and please know that your donation to CHAMP helps to change lives.

CHAMP Assistance Dogs is a 501(c)(3) nonprofit organization which places skilled service dogs with people who have disabilities to help them lead lives of greater independence, and places facility dogs with professionals who utilize the dogs' special skills in settings such as a healthcare facility, courthouse, or children's advocacy center. We place all of our assistance dogs with qualified partners, free-of-charge. CHAMP also provides our community with a therapy dog program and an education program, each of which touches the lives of many people of all ages.

As we look back on 2025, we are pleased with CHAMP's many accomplishments, and we are so grateful to the generous donors who support all of our programs.

In our Assistance Dog Program, CHAMP placed six assistance dogs throughout 2025, as we welcomed new puppies to join the other assistance dogs-in-training in our program. Also in 2025, CHAMP was thrilled to resume our assistance dog training program at the Women's Prison in Vandalia, MO. This win-win partnership benefits both the dogs and the ladies training them in the prison.

CHAMP's Therapy Dog Program visited over 80,000 individuals in 2025. Three classes of new therapy dog teams graduated throughout the year, joining our established therapy dog teams to visit people in settings such as hospitals, hospice centers, assisted living venues, schools, libraries, etc.

Your generous support of CHAMP helps us continue to provide our programs and services to the community, and we thank you.

Sincerely,

*Pam Budke*
